**Exhibitors in this class had all 4 of their individual derby pigs make the individual derby show and then participated as a group in the live show. The rankings of the groups were made first on the number of pigs certifying and then second based on the group index. The reasons pigs did not certify are listed below.**

**Loin eye area less than 5.25 square inches**

**Backfat at the 10th rib greater than 1.3 inches**

**Index (pounds of acceptable pork gained per day on test) below .6**
