<b>TOTAL SCORE</b>																					

<p>*Participants will use this grading card for slaughter cattle.</p> <p>Slaughter grades used in the event are prime, choice, good, and standard. No slaughter cattle over 42 months of age will be used; therefore, the “commercial” grade is not shown.</p> <p>For slaughter cattle, the participant is to place a check mark in the quality grade subdivision and also the correct cutability (yield grade) rating number for each animal.</p>	<p>Credit of six points will be allowed for the correct cutability rating. Four points will be allowed if an animal is graded one-half grade above or one-half grade below the correct yield grade.</p> <p>Two points for each full grade above or below the correct yield grade and the score will be zero for more than one full grade above or below the designated yield grade.</p> <p>Credit of four points is allowed for the correct quality grade. A deduction of one point will be made for one-half grade above or below the official grade. Two points are deducted for one full-grade above or below the official grade and the score be zero for more than one full grade above or below the official grade.</p> <p>Perfect score is 50 points.</p>
